**TrialDirector<sup>®</sup> 5**  
Trial Presentation Software

Imagine your next trial ... the jury hangs on your every word. Your organized, insightful presentation has never been better. You confront the opposition's witness with impeaching exhibits. You're using TrialDirector!

Every day, attorneys and litigation support professionals are adopting TrialDirector trial presentation software to organize exhibits and depositions, prepare their cases for trial, and enhance their case presentations. They know that TrialDirector is 'rock solid', adaptable, and won't let them down in court.

PRESENT.  
WIN.

## FOCUS THE JURY'S ATTENTION WITH:

- › Side-by-side exhibit comparisons
- › Sophisticated annotation tools
- › Witness video clips, and more

## TrialDirector Features Summary

### Transcript Management

- › Search for key testimony by word index or search term
- › Issue-code transcripts and print associated digests
- › View linked exhibits
- › Print condensed transcripts with word index

### Video Management

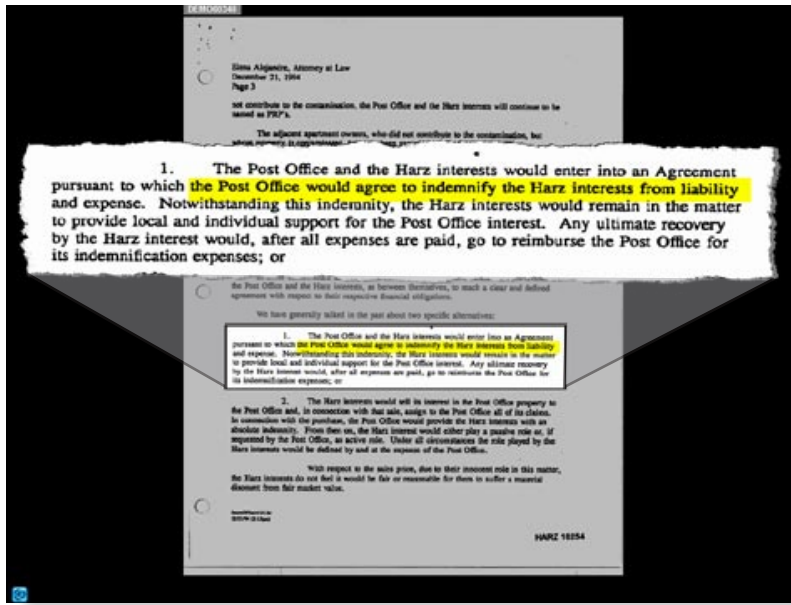

- › View video depositions of witnesses and parties
- › Create focused, insightful video clips for use at trial
- › Synchronize a video deposition to the transcript text
- › Generate designation reports and video clips for the court

### Document Management

- › Code documents for easy searching
- › Annotate documents with a highlighter, arrows, stamps, redactions and more
- › Create and print exhibit outlines

### Trial Presentation

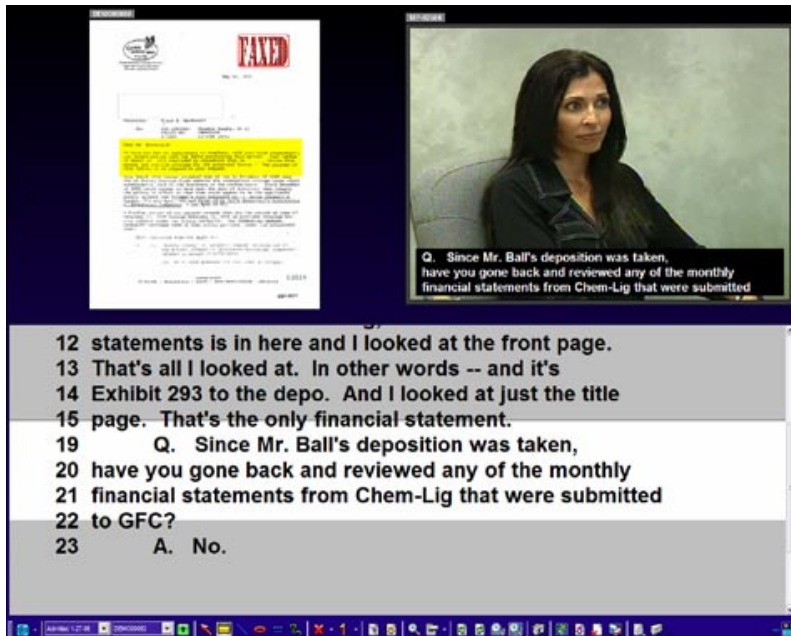

- › “Tear out” a section of a document to focus the jury's attention
- › Present exhibits in a side-by-side comparison
- › Play a witness' video deposition with or without scrolling transcript text
- › Display a section of the transcript, to emphasize contradictory deposition testimony
- › Overlay exhibits - great for comparing authenticity of a signature

Document in Presentation Mode

“TrialDirector is simple to learn and simple to use. A ‘must have’ for any attorney who prefers to pay attention during trial instead of fumbling for his next exhibit.”

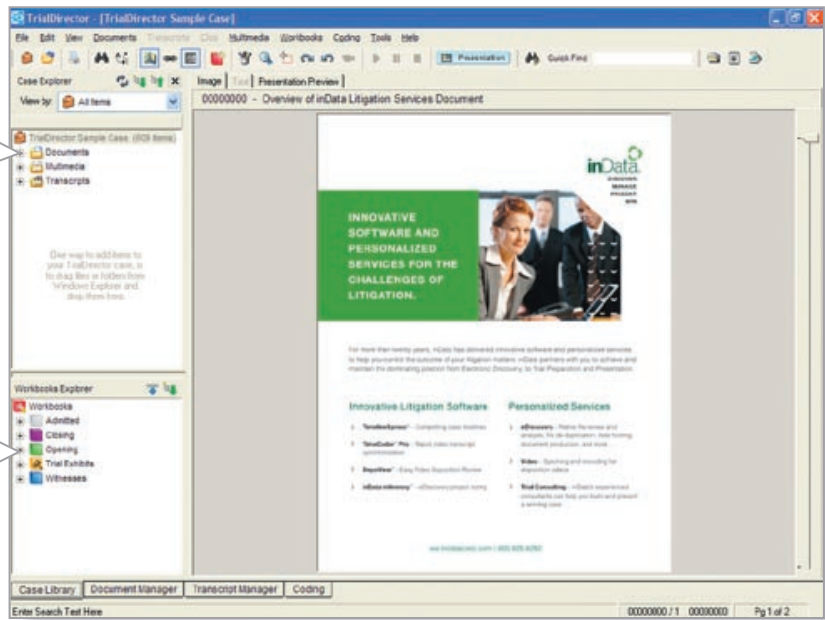

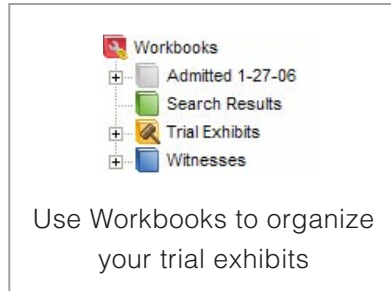

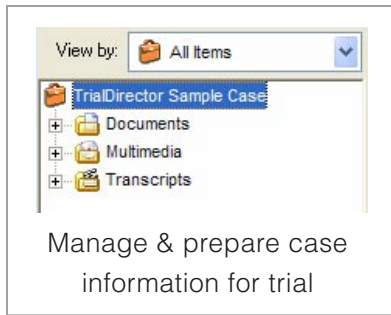

**Michael Lee, Esquire**  
Michael Lee & Associates

Witness Video in Presentation Mode

“Holland & Hart has been using TrialDirector for over ten years now. The results have been several multi-million dollar wins in both plaintiff and defense work.”

**Pen Volkman**  
Director of Graphics  
& Video Services  
Persuasion Strategies,  
a Service of Holland & Hart

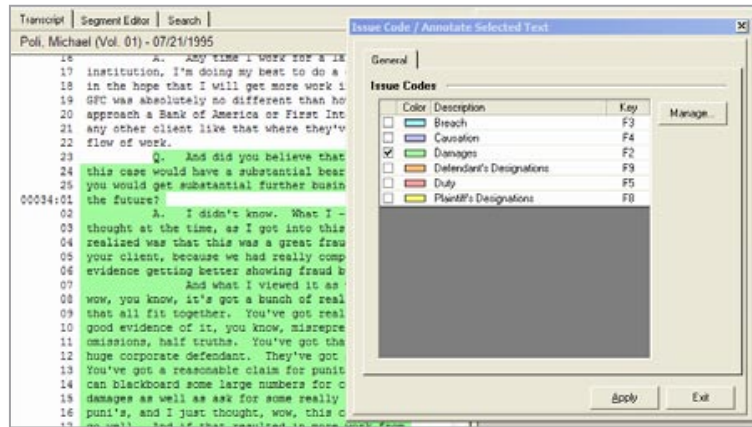

TrialDirector 5

## New Features in Version 5.x

If you've used previous versions of TrialDirector software, we think you'll be very impressed with the new features in TrialDirector 5:

- A New, Simplified User Interface
- Integration of the TrialDirector Suite into a Single Program
- A New Tool for Easier, More Precise Video Clip Editing
- Color Coding of Issues, and more!

For a full list of new features in Version 5.x, see *New Features in TrialDirector 5* at [www.indatacorp.com](http://www.indatacorp.com) > Resources > Product Brochures.

Issue Coding Feature

## Evaluation Software Available

See for yourself why successful litigators love TrialDirector. Try a complimentary evaluation version of the software.

To download your evaluation license today, visit [www.indatacorp.com](http://www.indatacorp.com) > Resources > Product Demos. Or call an inData representative at 800-828-8292.

## Price
